

*Last run.*

*Almost home.*

*It's taken lifetimes to get here;*

*I'm just getting started.*

*Breaking ground.*

*Every step, a challenge*

—

*I've defined my purpose.*

*Defended my path.*

*Conquered delay, dissent; doubt.*

*From within;*

*without.*

*I rise to it.*

*A pioneer...*

*To some.*

*Working tirelessly for them;*

*Pushing boundaries*

*Reaching beyond*

*I've crossed the globe*

*And never left their side.*

*Pause - handstand, perhaps, or similar balance and poise on dangerous ledge/in front of cityscape.*

*The fight goes on.*

*Pick up previous pace.*

*So, I*

*must*

*be;*

*Relentless.*

*We are pioneer.*
